

# PATRIOT ROBOTICS

## Partnership Opportunities

The Beyer Patriots Robotics program needs your support to help reach their educational goal of making hands-on science and technology more accessible to students. Beyer Patriots Robotics supports the Robotics Pathway at Beyer High School and the competitive FRC Robotics Team 4135, The Iron Patriots

The Iron Patriots team competes in the FIRST Robotics Competition. The team builds 120 lb robots from scratch to complete complex challenges, which change yearly.

The team has had some notable success, earning spots in the FIRST World Championships in 2016, 2017, and 2021.

The Beyer Patriot robotics students active in the community, making presentations at local schools, attending several community events each year, and mentoring younger students to foster interest in STEM programs.

We can also give in-person presentation at your school, company, or event! Please contact us to make arrangements.

### TEAM

FRC #4135: Iron Patriots

### TEAM EXPENSES

- FRC single event registration - \$5,000
- FRC second event registration - \$4,000
- Robot & Shop - \$10,000
- Competition travel and lodging - \$6,000
- Outreach - \$3,000
- Championship - \$25,000

I would like to help support Patriot Robotics!

- Platinum Sponsor - \$5,000: Company name and logo on robot & team shirts, social media, and website
