

PATRIOT ROBOTICS

Partnership Opportunities

The Beyer Robotics program needs your support to help reach their educational goal of making hands-on science and technology more accessible to students. Beyer Robotics supports 3 teams that compete in two different types of robotics programs:

- FIRST Technical Challenge (FTC) – small Tetrix robots that fit into an 18-inch cube.
- FIRST Robotics Competition (FRC) – 120 lb robots that complete complex challenges which change yearly.

The teams have had some notable success, with the FRC team, The Iron Patriots, earning spots in the FIRST World Championships in 2016 and 2017.

The teams are active in the community, making presentations at local schools and mentoring younger students to foster interest in STEM programs.

TEAMS

FTC #4157: Platinum Patriots
FTC #5211: Titanium Patriots
FRC #4135: Iron Patriots

TEAM EXPENSES

- FTC registration and parts kit - \$2,500
- FRC single event registration - \$5,000
- FRC second event registration - \$4,000
- FRC parts - \$4,000
- Competition travel and lodging - \$4,000

I would like to help support Patriot Robotics!

- Platinum Sponsor - \$5,000: Company name and logo on robot & team shirts, social media, and website
- Gold Sponsor - \$2,500: Company name and logo on team shirts, social media, and website
- Silver Sponsor - \$1,000: Company name on team shirts, social media, and website
- Bronze Sponsor - \$350: Company name on website and social media
